

## Forget It

Ten Tonnes

I wish I could forget it  
But I just seem to let it  
Take a hold my life  
You know it ain't right  
Baby, you know I meant it  
When the music ends, I'm heading  
Don't wanna feel like this forever  
You know it ain't right

Yesterday came and went by so fast  
I'm letting go of things you never seem to grasp

Yeah, I wish I could forget it  
But I just seem to let it  
Take a hold my life  
You know it ain't right  
Baby, you know I meant it  
When the music ends, I'm heading  
Don't wanna feel like this forever  
You know it ain't right

Oh, I need to, need to let it go  
Oh, I need to, need to let it go  
Oh-oh, yeah
