

Lay It On Me

Ten Tonnes

Coming on fast, try to take it slow
I'm the red flag at the rodeo
Need to take a trip, get some time alone
And I'm calling you from Tokyo

But the last time I saw you
I didn't mean to ignore you

I know its been a while but I'm back again
Back to face the symphony
Anything you need just call on me
I'm holding on day and night desperately
If you got a problem baby lay it on me
Lay it on me
Lay it on me

I didn't wanna get under your skin
Did I complicate the simple things?
Swimming out to sea in the pouring rain
Its easy to get lost when you don't know the way

But the last time I saw you
I didn't mean to ignore you

I know its been a while but I'm back again
Back to face the symphony
Anything you need just call on me
I'm holding on day and night desperately
If you got a problem baby lay it on me
Lay it on me
Lay it on me

Lay it on me, Lay it on me, Lay it on me, Lay it on me
Lay it on me, Lay it on me, Lay it on me, Lay it on me
Lay it on me, Lay it on me, Lay it on me, Lay it on me
Lay it on me, Lay it on me, Lay it on me, Lay it on me

I know its been a while but I'm back again
Back to face the symphony
Anything you need just call on me
I'm holding on day and night desperately
If you got a problem baby lay it on me
Lay it on me
Lay it on me
Come on, lay it on me
Lay it on me
Lay it on me
