

## Subtle Changes

Ten Tonnes

I waited for you  
I thought I should  
Something told me not to go  
A cold hand reached down  
I let the noise drown it out

Subtle changes  
Happen slowly  
I'll be silent  
I always have been  
Darkness floods your eyes  
When you need to see  
Don't waste your time on me

I hear crying from behind  
The way I never did  
I used to listen out to hear you calling  
I still listen out but I hear nothing at all

Subtle changes  
Happen slowly  
I'll be silent  
I always have been  
Darkness floods your eyes  
When you need to see  
Don't waste your time on...

Are you feeling better now? I hope so  
I've been here before  
Once before, maybe twice  
And I wish that I could stay and help you more  
But I just don't have the time

Subtle changes  
Happen slowly  
I'll be silent  
I always have been  
Darkness floods your eyes  
When you need to see  
Don't waste your time on me

Don't waste your time on me
