

Acquiesce

Ten

London and Vegas
To the sensual heart of Paris
One night of Burlesque
Eighty two Boulevard de Clichy
Man it's contagious
Every girl is sublime as can be
Some say outrageous
All the nylons and thighs that you see

Acquiesce, this heart's in danger
Lost in luge, Moulin Rouge
Acquiesce, its Art, no stranger
Sex in soulful designs
Acquiesce to lust's 'world-changer'
This is what becomes of love?
The time has come
Start beating your drum
Taste a little bit more
Of this sexual life

You're sippin' whiskey
On the rocks, like a wild debutante
Corseted vixens
Kick their legs up as high as you want
You're trippin', frisky
On the embers of light that you lost, yeah
So what you witness
Don't surrender it at any cost

Acquiesce, this heart's in danger
Lost in luge, Moulin Rouge
Acquiesce, its Art, no stranger
Sex in soulful designs
Acquiesce to lust's 'world-changer'
This is what becomes of love?
The time has come
Start beating your drum
Taste a little bit more
Of this sexual life

Yeah

Oh yeah

Acquiesce, this heart's in danger
Lost in luge, Moulin Rouge
Acquiesce, its Art, no stranger
Sex in soulful designs
Acquiesce to lust's 'world-changer'
This is what becomes of love?
The time has come
Start beating your drum
