

# Apparition

Ten

When I lay me down to sleep  
Bless the lord my soul to keep  
Bless my family friends and all  
Bless my deeds however small  
Amen

The iridescence of light  
Burns like a fire  
And it calls the spirits lost beyond the gloom  
The effervescence of life  
Fuels their desire  
Like the candle draws the moth to certain doom

I sense the storm begin,  
This rage never dies  
No psychic energies can save us this time...

The well of souls unchains a dark forgotten bane,  
A strange apparition...  
(Strange Apparition)  
In dark clandestine ways it lies, it mocks and shames  
This strange apparition...  
(Strange Apparition)...  
Mains

You can't resist, you can't hide,  
It churns like a bile  
And it roams the astral plains in Solitude  
But when the hatred won't die  
It burns and defiles  
Every soul it traps is chained for perpetuity

This is no ordinary demon inside  
It stares into your eyes,  
It plays with your mind...

The well of souls unchains a dark forgotten bane,  
A strange apparition...  
(Strange Apparition)...  
It speaks in childlike ways, misguides the lost and  
strayed  
This strange apparition...  
(Strange Apparition)...  
Preys

Our Father who art in heaven  
Hallowed be thy name  
Thy kingdom come thy will be done  
On earth as it is in heaven  
Give us this day our daily bread  
And forgive us our trespasses  
As we forgive those who trespass against us  
Lead us not into temptation  
But deliver us from evil  
For thine is the kingdom,  
The power and the glory  
Forever and ever

Amen

The well of souls unchains a dark forgotten bane,  
A strange apparition...  
(Strange Apparition)...  
The weak on which it preys,  
Tormented souls, betrayed  
This strange apparition...  
(Strange Apparition)...  
Reigns

Every dawn that breaks  
Banishes the plague  
Knowing truth, faith and light still reign...
