

What About Me?

Ten

Baby, your eyes are like the ocean
Maybe they're mirrors of your soul's honesty
Blue as the shimmering deep
You say, I keep it all inside me
You wait for warning signs of love in retreat
This is the secret I keep
You are amazing
You're something unbelievable
Something that I can't describe
You must be crazy
To ask me how I really feel inside
What about me?
Well I want you even more
I couldn't sleep tonight
I couldn't cheat the light
Burning' from within
What about me?
Well I'm a prisoner to your flame
My love will never die
Even if I tried
I couldn't break away
What about me, my love?
What about me?
I race to feel your arms around me
I wait to hang on every word that you speak
You're more than a woman to me
I know that I could never leave you
I glow when every glance from you
Makes me weak
Baby in you I believe
The world is changing
But some things last forever, babe
Nothing tames a turning tide
This love's not ageing
It multiplies as every day goes by
What about me?
Well I want you even more
I couldn't sleep tonight
I couldn't cheat the light
Burning' from within
What about me?
Well I'm a prisoner to your flame
My love will never die
Even if I tried
I couldn't break away
What about me, my love?
What about me?
Nothing tames a turning tide
So ask me how I really feel inside
What about me?
Well I want you even more
I couldn't sleep tonight
I couldn't cheat the light
Burning' from within
What about me?
Well I'm a prisoner to your flame
My love will never die

Even if I tried
I couldn't break away
What about me, my love?
What about me?
(Well I want you even more)
(I couldn't sleep tonight)
(I couldn't cheat the light)
(Burning' from within)
What about me?
Coz I'm a prisoner to your flame
My love will never die
Even if I tried
I couldn't break away
What about me, my love?
What about me?
