

## Melt

TENDER

What'll be will be  
What you say always goes  
And in the end, in the end  
You always get what you want  
Baby I try too much  
I'm leaving without your love again  
But I'll never stop trying

Well let me know  
If you will ever love me I can show  
The way your body should be  
Should be touched  
Should be held  
Let me watch your body melt into mine  
Down the line

What'll be will be  
What you say always goes  
And in the end, in the end  
You always get what you want  
Baby I try too much  
I'm leaving without your love again  
But I'll never stop

Well let me know  
If you will ever love me I can show  
The way your body should be  
Should be touched  
Should be held  
Let me watch your body melt into mine  
Down the line

I don't know when to stop  
How much further to the top?  
I don't know if I can climb  
It's getting steeper  
I fall behind

Well let me know  
If you will ever love me I can show  
The way your body should be  
Should be touched  
Should be held  
Let me watch your body melt into mine  
Down the line
