How can I stop
When I am all that I have got?
I can go through any season
When living is the reason
I won't give up
I will give it my all
When trouble call me I go face am
Obstacle for my front I go climb am

And you know I don't give a fuck
'Cause I know success is a must, yeah
I'm just trying to shoot my shot, breeze
When I step dem pause, freeze
My mama told me not to stop, yeah
She say, "Baby, you are the one" uhmmm
None of dem fit to block me
Iyanu Oluwa lẹrọ mi gba

Ọrọ mi gba ooo
Ọrọ mi gba ooo
Iyanu Oluwa lẹrọ mi gba
Ọrọ mi gba ooo
Ọrọ mi gba ooo
Iyanu Oluwa lẹrọ mi gba

Working all day, working all night
Forty one days, forty one nights
Biribiri ni mo ẹe mo ẹe iṣọ oru
Even in the dark you know ama shine bright
'Cause for me is for me
Psalm 23 set a table before me
Biribiri ni mo ẹe mo ẹe iṣọ oru
Even in the dark you know ama shine bright

And you know I don't give a fuck
'Cause I know success is a must, yeah
I'm just trying to shoot my shot, breeze
When I step dem pause, freeze
My mama told me not to stop, yeah
She say, "Baby, you are the one" uhmmm
None of dem fit to block me
Iyanu Oluwa lẹrọ mi gba

Father, forgive my sins
Father, forgive my sins

I be ordinary sinner, oh Lord God
Father, forgive my sins
Father, forgive my sins
Father, forgive my sins
I be ordinary sinner, oh Lord God
