Everybody wanna sodi to my melody
And the baby demma steady blow my phone up
Getting money and a nigga never fold up
High taste and I get standard
Blow a millie on a baddie toh ba se dada
Blow trees smoke some gbana
Put a baddie on a jet, fly to Ghana

Four babes for my side, four meter for a night
Teni makanaki on a skibi jumbo lifestyle, bad bitches wanna ride
Never alone with my guys, I'm a Liverpool on this side
Chopping life like ofe, issa banger bad bitches wanna ride...
