Don't know where I'm going but all I know is
I'm going somewhere, I'm going somewhere
Don't know where I'm going but it's going, it's gone
I'm going somewhere, so gone
I'm going somewhere
Whether nah Instabul abi nah Cape Town
Small time I enter Maitama
Whether nah Atlanta to collect my papers
Small time I enter Maitama

Olala wena
Oh oh Orimi wu, owo mi loke

But if I give what is ceaser's to ceaser

And I know life don't make no sense
You only gat one shot, one chance
Gotta get the bag, and I blow it on the Benz
I only gat God, family and my friends

I need no pressure, make diamonds
Now my wrist look weight, too timeless
And my Monalisa, the finest
Cuz where I'm heading, the highest

I wanna be a baller
Charge a hundred thou' for a photo
Call on me downfall, nna nka se sek'
Made it this far ka Psalm
The pressure is getting worser and worser
(The pressure is getting worse)
Tshokolo nna nka se lebale
Mamazala o tлага
A sotleha, nou mfana'e ke laas
(Nou mfana'e ke)
Better make 2-step don't come at me
(Better make, better make 2-step)
My energy
Far from cheap
I'm a G
I'm a King

Oh oh Orimi wu, owo mi loke
Oh oh oh Orimi wu
Onana nana wena
Oh oh Orimi wu, owo owo mi loke
Oh oh oh Orimi wu
Maitama
