I'm at peace with God and at peace with myself  
I surrender, I surrender  
No weapon fashioned against me shall prosper  
Back to sender, back to sender

Lord, I give You my heart and my soul and devotion  
You give me peace of mind  
And I see all Your works and the good that You are doing  
Şebi na You change my life

Ogo ni, ogo ni  
Ogo ni fun Baba  
Ogo ni fun Qmɔ  
Ogo ni, ogo ni  
Ogo ni fun Qlɔrun ɛmi mimɔ  
Ogo ni, ogo ni  
Ogo ni fun Baba  
Ogo ni fun Qmɔ  
Ogo ni, ogo ni  
Ogo ni fun Qlɔrun ɛmi mimɔ

Thank You for the things that You got me through  
Na only me and You  
I dey cry night You dey wipe my eyes  
Na You dey give me grace o  
You say make I get faith o  
Make my faith no deflate o

Don't jump from my plate o  
People change but You remain the same o  
Aimɔye eeyan to n ku lojoojump  
Mi o fi yɔ wɔn
