

So Do I

Tenille Arts

Lying on the floor and to everybody else
Dying to ignore the whiskey on the shelf

Trying to get up
Can't get unstuck
Can't be the only one
Tell me I'm not alone

Do you feel like you wanna cry?
Do you feel like you wanna hide?
Do you feel like the whole world's waiting for you to get it right?
Do you feel like you wanna scream?
But you can't 'cause you can't breathe
Do you feel like you're the only one who knows what this feels like?
So do I
So do I

Has it been a day or has it been a week?
Maybe nothing's wrong or maybe something's wrong with me

Someone just say
I'll be okay
Can't be the only one
Tell me I'm not alone

Do you feel like you wanna cry?
Do you feel like you wanna hide?
Do you feel like the whole world's waiting for you to get it right?
Do you feel like you wanna scream?
But you can't 'cause you can't breathe
Do you feel like you're the only one who knows what this feels like?
'Cause so do I
So do I
So do I

Is anybody out there?
Or am I just talking to the ceiling?
Is anybody feeling what I'm feeling?

Like you wanna cry
Like you wanna hide
Do you feel like the whole world's waiting for you to get it right?
Do you feel like you wanna scream?
But you can't 'cause you can't breathe
Do you feel like you're the only one who knows what this feels like?
So do I
So do I
So do I
So do I
