

# Landslide

Tenille Townes

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow-covered hills  
Well, the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changin' ocean tides?  
Can I handle the seasons of my life?  
Whoa, no, no, no  
Oh-oh-oh-oh

Well, I've been afraid of changin'  
'Cause I've, I've built my life around you  
And time makes you bolder, and  
Children get older and I'm getting older too, yeah

Well, I've, I've been afraid, afraid of changin'  
'Cause I've built my life around you  
And time makes you bolder and you know  
Children get older and I'm getting older too  
Yeah, I'm getting older too

So, take my love and take it down  
And if you climb a mountain and you turn around  
And if you see my reflection in the snow-covered hills  
Well, the landslide brought me down  
And if you see my reflection in the snow-covered hills  
Well, maybe, well, maybe  
Well, maybe  
The landslide will bring you down
