

## Borrowed Time

Tennis

I thought that the sun burnt brighter  
With you by my side  
And that we'd go on forever  
Together you and I

Now I'm waking from a dream  
I've been following you foolishly  
Leaving you is hard for me  
But I gotta do what's right for me

Thought we'd go on, you by my side  
Forever, you and I  
We raised hell, every night  
Together, you and I

I thought the world stopped turning  
Without you by my side  
How we burned it down together  
Every single night

Now I'm waking from a dream  
I've been following you foolishly  
You were playing God with me  
And I bought it all completely, yeah

Honestly I  
Sometimes I've been good for you  
I'm not dreaming  
You're already leaving me

Thought we'd go on, you by my side  
Forever, you and I  
We raised hell, every night  
Together, you and I  
Running on borrowed time  
Forever, you and I  
Thought we'd go on, you by my side  
Together, you and I
