

# Afraid

## Tenth Avenue North

I don't wanna be afraid  
I don't wanna be afraid anymore

When the world shakes  
Feel my heart race  
When the voices start again  
Oh, the panics creeping in  
Who will I listen to  
Fear never told the truth

So I'll wait on You tonight  
Worries only wasted time

I don't wanna be afraid  
I don't wanna be afraid anymore  
Not like before, oh  
I don't wanna be afraid  
I don't wanna be afraid anymore  
I'm safe in Your love, oh, Lord

In the future  
You will return  
We'll watch the darkness break  
And finally see Your face soon  
Forever be alive  
With Your Kingdom, death will die

So I'll wait on You tonight  
Worries only wasted time

I don't wanna be afraid  
I don't wanna be afraid anymore  
Not like before, oh  
I don't wanna be afraid  
I don't wanna be afraid anymore  
I'm safe in Your love, oh, Lord

This world cannot take my treasure  
This world doesn't own my tears  
My hope is alive in heaven  
I will not give into despair  
I don't wanna be afraid  
I don't wanna be afraid anymore  
I don't have to be afraid  
I don't have to be afraid anymore  
Oh, Lord

I don't wanna be afraid  
I don't wanna be afraid anymore  
Not like before, oh  
I don't wanna be afraid  
I don't wanna be afraid anymore  
I'm safe in Your love, oh, Lord

Don't wanna be afraid  
(Don't want, don't want)  
Don't wanna be afraid anymore

(Don't want, don't want)  
(Don't want, don't want)  
I don't wanna be afraid anymore  
Don't wanna be afraid  
(Don't want, don't want)  
I don't wanna be afraid anymore  
(Don't want, don't want)  
(Don't want, don't want)  
I don't have to be afraid anymore
