

Secrets (Light Shine In)

Tenth Avenue North

Haven't we all loved things in the darkness?
Haven't we all lied if we're honest?
We cheat and cover up
To protect what people think of us
But we end up hostage to all our secrets

So let the light shine in
And let the light shine in
Our God chased us all down into death
To lift us out of the shame we live in
So let the light shine in

We're not a lost cause, we're not unlovable
'Cause He takes the broken and makes them beautiful
There may be pain, there may be consequence
But we know we don't have to stand condemned
'Cause He came to free us from all our secrets

So let the light shine in
And let the light shine in
Our God chased us all down into death
To lift us out of the shame we live in
So let the light shine in

His blood is enough to wash over the worst of us
Made clean, set free, redeemed
Yeah, His blood is enough to wash over the worst of us
Made clean, set free, redeemed, yeah

So let the light shine in
Oh, let the light shine in
Our God chased us all down into death
To lift us out of the shame we've lived in
So let the light shine in
