

## Someone to Talk To

Tenth Avenue North

I tried to speak up in church  
Tell 'em where I am hurt  
Tell 'em secrets I got  
With the temptations I flirt  
They told me it's a safe place  
Hospital for sinners  
Not a museum for saints

But when I tell 'em where I'm at  
They tell me where I ain't  
When all I needed was someone  
To hear about my shame  
Can anybody hear me?

Can I say that I'm lonely  
Say that I'm scared  
If I tell you what I'm feeling  
Will I still get to stay here  
I got broken hallelujahs  
And lies along with truth  
Can you handle my confusion  
I need someone to talk to  
Someone to talk to  
Someone to talk to  
Someone to talk to  
Someone to talk to

When I was still just a kid  
I learned the way that it is  
There's things that we can confess  
But some are better unsaid  
I tried to watch my heart  
Wellspring of life  
But then the waters got dark  
I got addicted, conflicted  
I wish that I did so much different  
But now it's just how it is  
Is this just how it is?

Can I say that I'm lonely  
Say that I'm scared  
If I tell you what I'm feeling  
Will I still get to stay here  
I got broken hallelujahs  
And lies along with truth  
Can you handle my confusion  
I need someone to talk to  
Someone to talk to  
Someone to talk to  
Someone to talk to  
Someone to talk to

Don't run away  
Don't run away  
Don't run away  
Away from me  
Don't run away

Don't run away  
Don't run away  
Away from me  
Cause I got nowhere else to go  
I got nowhere else to go  
I got nowhere else to go

Can I say that I'm lonely  
Say that I'm scared  
If I tell you what I'm feeling  
Will I still get to stay here  
I got broken hallelujahs  
And lies along with truth  
Can you handle my confusion  
I need someone to talk to  
Someone to talk to  
Someone to talk to  
Someone to talk to  
Someone to talk to
