

# Always, Always

Tep No

I think I'm losing this place  
Where I thought I could escape  
I think of falling for you  
Maybe you want me to

I think I got in my way  
But all our teachings were paced  
Now I'm just gliding through life  
Cause you're my beautiful wife

Always, always, I knew  
I'd fall in love with you  
Always, always  
I'm nothing without your kiss, love  
Love

Always, always, I knew (always, always)  
I'd fall in love with you (I'd fall in love)  
Always, always  
I'm nothing without your kiss, love  
Without your kiss

Hoo, hoo-o-oo, hoo, hoo, hoo, yeah  
Hoo hoo hoo hoo-oo

I think I'm making my way  
Everyone takes a break  
I'm getting speed to the tide  
Everything, everything I've ever wanted

And you were staying somewhere  
(And you were staying somewhere)  
And we've played but I didn't care  
(And we've played but I didn't care)  
I knew I'd take you to places you never thought were possible

Always, always, I knew (always, always)  
I'd fall in love with you (I'd fall in love)  
Always, always  
I'm nothing without your kiss, love  
Love

Always, always, I knew (always, always)  
I'd fall in love with you (I'd fall in love)  
Always, always  
Girl I'm nothing without your kiss, love  
Oh, without your kiss

(I'm nothing)  
(I'm nothing)  
(I'm nothing)  
(I'm nothing)

Oh  
Always, always, I knew (always, always)  
I'd fall in love with you (I'd fall in love)  
Always, always

I'm nothing without your kiss, love  
Love

Always, always, I knew (always, always)  
I'd fall in love with you (I'd fall in love)  
Always, always  
I'm nothing without your kiss, love  
Girl I'm nothing without your kiss
