

Deportation

Tep No

Where she be going she be mortified you know
I've seen the tears falling from her eyes of gold
And I don't know if I can minimize it all
Yeah, yeah
She caught me bleeding but I'm hiding holes from her
She gotta pay it, the emotion tax toll
No [?] not supposed to go
This way

She got a country, she had a country
Knowing this ain't the way she gonna be
I seen her [?], that cost me
Lonely now where we're supposed to be

Lonely now where we're supposed to be
Lonely now where we're supposed to be
Lonely now where we're supposed to be
Lonely now where we're supposed to be

How can you go, can you go
Can you go, I won't be leaving without you
I gotta know, gotta know
Gotta know if I can take it without you
If I can take it without you
Without you

'Cause all these tears are not the same
Yeah, 20/20 vision but I'm feeling pain
Look I gotta let it go 'cause she in my brain
Yeah I gotta make the most, everything can change

Yeah I gotta pay it forward in another way
Yeah cos I can see the crib all over the place
And I don't know where I live but I'll pave the way
I don't know what we did but it's sobering

Uh
Oh it's sobering
It's sobering sobering, yeah
Oh it's sobering
It's sobering sobering

How can you go, can you go
Can you go, I won't be leaving without you
So I gotta know, gotta know
Gotta know if I can take it without you
If I can take it without you

And when I fall
Would you help me up
[?] not impossible
And I'll do anything to get you home

How can you go, can you go
Can you go, I won't be leaving without you
So I gotta know, gotta know
Gotta know if I can take it without you

If I can take it without you

'Cause they kicked you out the country
And I don't know why
They kicked you out the best place and
A lie
Oh and I can see the tears falling from your
Eyes
And I can see the fear in those
Eyes

Yeah 'cause all these tears are not the same
Yeah, 20/20 vision but I'm feeling pain
Look I gotta let it go 'cause she in my brain
Yeah I gotta make the most, everything can change
