

# Die For Me

Tep No

I'm holding on  
All the change and all that's left inside my breath  
She's in control, desperate [?]  
Enough believing in my bone

And I'll leave if I keep holding on  
I'll leave if I keep holding on  
It's not me if I can't even know  
Oh

Would you die for me  
Would you die for me, yeah  
Would you lie for me  
Oh would you die

Die  
Die  
Die  
Die

So it goes  
life was never cynical  
enough for you  
You don't expose  
Something settling, [?]

And I'll leave if I keep holding on  
I'll leave if I keep holding on  
It's not me if I can't even know  
Oh

Would you die for me  
Would you die for me  
Oh would you die for me  
Would you die for me, yeah

Would you die for me  
Would you die for me, yeah  
Oh would you lie to me  
Would you die

Die  
Die  
Die  
Die

Would you die for m
