

Fool For Me

Tep No

You say you're a fool for me, yeah
I say I'm your ecstasy, yeah
So don't get mad If you're too cool for me, yeah
'Cause you won't get it anyway, nah

You're looking at my body, everyday on your body
I won't be at your party, your party, nah
You love infatuation, I'll raise your expectations
I got you in my basement, shit's going down

You say you're a fool, a fool, for me
I caught you in a mood, I own the beat
You can't be so so rude, when you talk to me
Caught you with a rope, yeah, I'll choke you if you

I'll choke you if you, uh
I'll choke you if you, uh, uh, uh

Let me tell you so I be so clear
I got that booty that stretch your veneers (okay)
You always thinking bout why I'm right here
And where you at now, is why I'm right here, bruh
I'll be bathing in the sea, blowing on a tree (smoke)
You ain't never been, with a bad bitch like me, nah
'Cause there ain't no bad bitch like me
Ain't nobody that spicy

You say you're a fool, a fool, for me
I caught you in a mood, I own the beat
You can't be so so rude, when you talk to me
Caught you with a rope, yeah, I'll choke you if you

I'll choke you if you, uh
I'll choke you if you, uh, uh, uh, uh
