Heartbeat Bangs

Tep No

The heartbeat, heartbeat bangs
The heartbeat, heartbeat bangs

And the heartbeat bangs
'Cause it knows what's coming
The heartbeat bangs
'Cause it knows what's going on
You kill me
When you don't say nothing
How about you give all of yourself this time
This time
How about you give all of yourself this time
And the heartbeat bangs
'Cause it knows what's coming
How about you give all of yourself this time

The heartbeat bangs
'Cause it knows what's going on

I know something
I know something's going wrong
I know nothing
Can keep me from moving on
I heard the warning
But I didn't walk away

Tried to ignore it
'Cause I wanted you to stay
'Cause I wanted you to stay

And the heartbeat bangs
'Cause it knows what's coming
The heartbeat bangs
'Cause it knows what's going on
You kill me
When you don't say nothing
How about you give all of yourself this time

The heartbeat bangs
'Cause it knows what's going on

The heartbeat, heartbeat bangs
The heartbeat, heartbeat bangs
'Cause it knows what's coming

The heartbeat, heartbeat bangs
The heartbeat, heartbeat bangs
'Cause it knows what's going on
