

# I Get Warm

Tep No

All I wanna see  
Is you with me  
Is you beside me  
I'll be [?]

All I wanna do  
Is to feel it all with you  
Yeah hold me like you do  
[?] you  
Yeah

I get warm  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love

I get so warm  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love

We'll be hanging on the beach  
You'll be there with me  
And hide under the sheets  
Kissing lovingly  
It's [?]

I get warm  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love

I get so warm  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love  
When I get close to you  
I'm in love  
Oh  
I get warm  
I get warm
