

## It's Alright

Tep No

One day you're here and we're kissing  
The next day, you're gone and I'm weeping  
I can't stand it, you're like the summer wind  
Always flowing between the ridges of my suffering  
It's alright, It's alright  
We could lose it all  
It's alright, It's alright  
'Cause It's not your fault  
If I'm better off without you  
It's alright, It's alright  
It's alright, It's alright  
If I'm better off without you  
It's alright, It's alright  
It's alright, It's alright  
Some way, someday, I'll be leaving  
I'll walk away and leave you with nothing  
I gave away my love and its reasons  
You cut me down but I'm strong, and I'm still holding on  
It's alright, It's alright  
We could lose it all  
It's alright, It's alright  
'Cause It's not your fault  
If I'm better off without you  
It's alright, It's alright  
It's alright, It's alright  
It's alright, It's alright  
It's alright, It's alright  
If I'm better off without you  
It's alright, It's alright  
We could lose it all  
It's alright, It's alright  
'Cause It's not your fault  
If I'm better off without you
