

## Like A Real One

Tep No

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Promise that you'll be around

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Promise that you'll be around

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Promise that you'll be around

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Promise that you'll be around

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Down like a real one  
Down

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Down like a real one  
Down

I just wanna hold you down like a real one  
Promise that you'll be around  
I just wanna hold you down like a real one  
Promise that you'll be around
