

Missing Winter

Tep No

I've been down on the sidewalk
Just for your love
And I can't keep you from looking up
The burden's just too much

'Cause baby I, don't care about the summer
'Cause I'm still missing winter
I, don't care about this weather (weather)
'Cause I miss being with her (with her)

Just let me drown in the ocean waves
Don't help me now, let me suffocate
Just want this love to resuscitate
Don't let this feelings to go to waste

'Cause baby I
I, don't care about the summer
I, I'm still missing winter (winter)
'Cause baby I
Baby I
'Cause baby I, I
I, Miss being with her
'Cause baby I
Baby I, don't care about the summer

Maybe you feel the same, it's okay now
Just wanna reconcile, change this feeling
I do my best, if only you could see
How much I miss you

'Cause baby I
I, don't care about the summer (I, I)
'Cause baby I (don't care about the summer)
I, I (I'm still missing winter)
I, I (don't care about this weather)
Cause I miss being with her (I, I)
