

No Bones Day

Tep No

I woke up in the morning so early
I feel like jelly
I jiggle my belly
I go to stand as tall
But I fell right through the floor
But I feel so small
'Cause today is a no bones day

Nothing ever gonna go my way
Yeah, it's a no bones day

I'm so sad I drugged my big meal
I'm so sad I drugged my big meal
I'm impressed, I'm impressed
I've been crazy all my life, yeah
I'm so sad I drugged my big meal
I'm so sad I drugged my big meal
I'm impressed, I'm impressed
I've been crazy all my life

I'm so sad I drugged my big meal
I'm so sad I drugged my big meal
I'm impressed, I'm impressed
I've been crazy all my life
I'm so sad I drugged my big meal
I'm so sad I drugged my big meal
I'm impressed, I'm impressed
I've been crazy all my life
