

# Only 21

Tep No

We be too young, we be too young, yeah  
Sipping in the sun, sipping on rum, yeah  
Only 21, only 21, yeah, yeah  
Aw, baby  
And we could buy a gun, we could buy a gun, yeah  
Shoot it for the fun, shoot it for the fun, yeah  
Only 21, only 21, yeah  
Aw, baby

No, but you can't take my soul  
No, but I won't chase these ghosts, yeah  
These ghosts, yeah  
I've known  
We run the world when I ride it with you  
There's nothing that we can't do  
We got the percs and the perfect view

We be too young, we be too young, yeah  
Sipping in the sun, sipping on rum, yeah  
Only 21, only 21, yeah, yeah  
Aw, baby  
And we could buy a gun, we could buy a gun, yeah  
Shoot it for the fun, shoot it for the fun, yeah  
Only 21, only 21, yeah

We got our sights [?], yeah we ready to kill  
But we ain't young boys, nah no we be running the drills  
I gotta pay my bills, wow, but I still wanna chill  
But I still wanna chill, [?] work at the mill  
I feel the [?]  
Except when I'm on stage, no fright  
You're my groupie though just for the night (that's right)  
We get baked to see beautiful sights  
I'm tryna be mature for once in my life  
So I bought a crib, I'm here for you and I  
I don't need anything else in this life, no, yeah

And we be too young, we be too young, yeah  
Sipping in the sun, sipping on rum, yeah  
Only 21, only 21, yeah  
Aw, baby  
And we could buy a gun, we could buy a gun, yeah  
Shoot it for the fun, shoot it for the fun, yeah  
Only 21, only 21, yeah
