

Poison

Tep No

Watching me sip your poison

You got me paranoid and
The food I can't afford it
Your kiss tastes like poison
Ahh
My heart has been destroyed
I know that you've enjoyed it
Watching me sip your poison

You got me paranoid and
The food I can't afford it
Your kiss tastes like poison
Ahh
My heart has been destroyed
I know that you've enjoyed it
Watching me sip your poison
Ah

Watching me sip your poison
Ah
Watching me sip your poison

You got me paranoid and
The food I can't afford it
Your kiss tastes like poison
Ahh
My heart has been destroyed
I know that you've enjoyed it
Watching me sip your poison
