

We Could Be Cool

Tep No

If I lose you, babe, on the sidewalk
Will you want me late or deceive me?
Oh, baby don't go real soon
I wanted to hold you through

We could be cool
We could be cool
Oh, baby, don't go real soon
I wanted to hold you through
We could be cool
We could be cool

I will find you, babe, oh this evening
Will you want me late or deceive me?
Oh, baby, don't go real slow
I wanted to hold you close

We could be cool
We could be cool
We could be cool
We could be cool
We could be cool
We could be cool

We could be cool
Oh, baby, don't go real slow
I wanted to hold you close
We could be cool
We could be cool
