

Hail Mary

Terence Trent D'Arby

Hail Mary full of Grace
I will surrender to you
Love has me in my place
Patiently waiting for you

Even if I'm wrong
I have learned that faith
Can bring me power
And I have grown strong
Standing in the stillness
Of the hour
'cause my heart
Is your heart

Soul Mama full of light
I am indebted to you
Your wisdom gives me sight
Patiently waiting for you

Every little thing
That I've ever learned
Has kept me going
And that is why I cling
To the song I sing
And the peace of knowing
That my heart
Is your heart

Hail Mary full of Grace
I am enraptured by you
Stay with me as I run my race
Patiently standing by me

Hail Mary full of Grace
I will surrender to you
Love has me in my place
Patiently waiting for you
