

Mona Lisa's Laughing

Terence Trent D'Arby

It's ok to feel this way
I feel this way and it's ok
It's ok to be this way
I am this way and that's ok
You don't need permission to
To be you ooh - ooh
Shake it free you 're supposed to be
'cause
Mona Lisa's laughing
Rejoicing as she's dancing
She burned her frame in freedom's flame
Mona Lisa's laughing
Rejoicing as she's singing
She burned her frame in freedom's flame
She stretched her smile another mile

Sweet cat bone
I'm in a zone
The wind removes
What I don't own
Beat my drum
And lay back some
And blow my dream
Like bubble gum
You don't need permission to
To be you ooh - ooh
Sweat with me and shake it free
'cause

Mona Lisa's laughing
Rejoicing as she's dancing
She burned her frame in freedom's flame
Mona Lisa's laughing
Rejoicing as she's singing
She burned her frame in freedom's flame
She stretched her smile another mile

I don't remember what I said
But I know I said the right thing

It's ok to feel this way
I feel this way and it's ok
It's ok to be this way
I am this way and that's ok
You don't need permission to
To be you ooh - ooh
Shake it free you 're supposed to be

'cause
Mona Lisa's laughing
Rejoicing as she's dancing
She burned her frame in freedom's flame
Mona Lisa's laughing
Rejoicing as she's singing
She burned her frame in freedom's flame
She stretched her smile another mile
Mona Lisa's laughing

Rejoicing as she 's dancing
She burned her frame in freedom's flame
Her liberation came
