Seasons

Terence Trent D'Arby

I won't say goodbye I don't want to use that exit line Please don't make me lie I have no excuse for you this time 'Cause sometimes (It's alright for a season) But then it's time to go

The verses of my life are moving past And so now the chorus I must hear I've got to define my life and times Before I can give you more than tears 'Cause sometimes (It's alright for a season) But then it's time to go

Your heart was stretched to the point of breaking Your tears are etched and your sorrow is waking

This complicated curse Causes you to freeze our love in time If I awaken that first It's only 'cause you lost yourself in mine Please don't let me see you cry 'Cause sometimes It's alright for a season But then it's time to go
