

# I Gotta Go Get My Baby

Teresa Brewer

When I woke up this fine, bright morning  
It didn't look right to me  
It seemed like something was awful wrong  
And I wondered what it could be

I been thinking about it all day long  
Trying to figure out what was wrong  
Well, the answer just now came to me  
My darling baby's gone

I gotta go get my baby wherever he may be  
I gotta go get my baby and bring him home with me  
I hate to leave your company, it's jolly as can be  
But I gotta go get my baby and bring him home with me

Well, I guess I took that guy of mine  
For granted too darn long  
He must of got tired of waiting 'round  
And thought he didn't belong

But Lawdy knows I love that man  
More than I've ever shown  
I'm gonna bring my loving baby back  
And place him on a throne

I gotta go get my baby wherever he may be  
I gotta go get my baby and bring him home with me  
If I have to swim the ocean, well, look out Mister Sea  
Cause I'm gonna go get my baby and bring him home with me
