

Patiently Waiting

Terrace Martin

It's been a long time since I held your hand
Girl I've been waiting turn like this I don't understand
But I'm patiently waiting for you to come home
Where your love still stands strong
So let's try again till we get it right
Tonight is the night Let me hold you tight

Coz it's been a long time since you've been here
And I'm patiently waiting for you to come home
Back again
Hooooo

Night time is the right time to be with the one you love
But doing what I do ain't no telling will I'm gonna
Be home to you
Till sometime you get worried
You think I'm out there doing what to do?
And all I'm doing baby is working
So I can spend my life with you

it's been a long time since I smelled Josie
I'm patiently waiting for the time to come again
Girl I need you I need you here with me
That's why I'm patiently waiting for you to come home again.
Play your though

It's been a long time since I got kissed your name
It's been a long time just I held you close
Oh I have been waiting
Girl I know you've been doing the most
But I've patiently waiting for you to come home again
Ohhhh (patiently waited)
Oh patiently waiting
Looking at my window
Looking at Ohh

Oh patiently waiting baby
Yes, I'm patiently waiting baby for you to come home
We love you so
It's been a long time since I see your face
Patiently waiting to see you again
I know I heard you but won't do it no more

Girl I'm patiently waiting

Waiting to come home
I'm patiently waiting
I even call you in my house
Patiently waiting

You told me you don't love me right then

Come on back baby
