

Is this what you want where you belong  
Amongst the maze and haze  
I could take your hand and pull you along  
The blind leading on  
Crystallized tears are frozen in motion  
Thousands of miles from here it was broken  
Keep coming back to test the waters  
Peel it off (?)  
I'd rather be alone than be in this place  
How many times must i walk away  
This is my fate this is my place in time  
She turns and walks away  
Crystallized tears are frozen in motion  
Thousands of miles from here it was broken  
Keep coming back to test the waters  
Peel it off (?)
