

## Love Is A Rose

Terri Clark

Love is a rose but you'd better not pick it  
It only grows when it's on the vine  
Hand full of thorns, and you know you've missed it  
Lose your love when you say the word mine

I wanna see what's never been seen  
I wanna live that age on dree  
Come on boy, let's go together  
We can take the best right then  
Take a bus right now

Love is a rose but you'd better not pick it  
It only grows when it's on the vine  
Hand full of thorns, and you know you've missed it  
Lose your love when you say the word mine

I wanna go to an old hoedown  
Long ago in a western town  
Pick me up cuz my feet are dragging  
Give me a lift and I'll hay your wagon

Love is a rose but you'd better not pick it  
It only grows when it's on the vine  
Hand full of thorns, and you know you've missed it  
Lose your love when you say the word mine

Love is a rose (you'd better not pick it)  
Love is a rose (on the vine)  
Love is a rose (you know you've missed it)  
Lose your love when you say the word mine  
Lose your love when you say the word mine
