

# Young as We Are Tonight

Terri Clark

Look at us  
Where we are  
Just livin' in a field of stars  
Just some hearts  
With some dreams  
Running wild like kings and queens  
At the county fair little town somewhere  
Sundown fades you get lost in the midway lights  
And that look in her eye  
You got two tickets to the show called life

Whatever you're holdin' in  
Let it go  
Let it disappear in a ring a smoke  
Kiss the sky  
Send up a prayer  
Wherever you're goin' just go there  
Take a look around for a minute  
Take a picture in your mind  
And send it to yourself cause the truth is you and I  
We're never gonna be as young as we are tonight  
As young as we are tonight  
(As young as we are tonight)

Let the words  
And the sound  
Take your feet right off the ground  
Let your love  
Light a spark  
And watch it burn right through the dark  
And hang on tight cause it's a hell of ride  
But there ain't no need to fight

Whatever you're holdin' in  
Let it go  
Let it disappear in a ring a smoke  
Kiss the sky  
Send up a prayer  
Wherever you're goin' just go there  
Take a look around for a minute  
Take a picture in your mind  
And send it to yourself cause the truth is you and I  
We're never gonna be as young as we are tonight  
As young as we are tonight  
(As young as we are tonight)

So sing out loud and raise up that beer  
And be damn proud that you grew up 'round here  
You got one life, you got one chance, you got one dance

Whatever you're holdin' in  
Let it go  
Let it disappear in a ring a smoke  
Kiss the sky  
Send up a prayer  
Wherever you're goin' just go there  
Take a look around for a minute

Take a picture in your mind  
And send it to yourself cause the truth is you and I  
We're never gonna be as young as we are tonight  
As young as we are tonight  
(As young as we are tonight)
