

# Forever Holy

Terrian

You're the God  
Of all my days  
You're the lamb  
Who was slain  
Every sin and every stain erased  
Refined and purified  
By your blood, I've come to life  
Standing here  
I've just gotta say

Oh you're the fire  
My burning desire  
The air that I breathe  
The song that I sing  
Forever

No one is greater  
Oh what a savior  
Conquered the grave  
And now I can sing  
Forever

Oh Holy  
Oh Holy  
Oh Holy  
Forever  
Oh Holy  
Oh Holy  
Oh Holy  
Forever  
Forever  
Holy

Every bruise you sustained  
To heal my wounds and all my pain  
On the cross you took my shame and cried  
They don't know what they're doing  
Forgive them  
They don't know what they're doing  
Forgive them

Oh Holy  
Oh Holy  
Oh Holy  
Forever  
Oh Holy  
Oh Holy  
Oh Holy  
Forever  
Forever  
Holy

They don't know what they're doing  
They don't know what they're doing  
They don't know what they're doing  
They don't who they're mocking  
They don't know who they're beating

They don't know whose bleeding

Oh Holy  
Oh Holy  
Oh Holy  
Forever  
Oh Holy  
Oh Holy  
Oh Holy  
Forever  
Forever  
Holy
