

# I Am Free

Terrian

Tainted soul, a shattered heart that keeps on beatin'  
Steady hands, won't you hold me just another moment?  
I've been thinkin', thinkin' (Thinkin') like I'm no good for Yo  
u, oh  
But You keep pourin', pourin' Your love for me and You make me  
see

I am free, I am free, I am free, yeah  
Nothing can hold me, nothing's gon' drag me down  
I am free, I am free, I am free, yeah  
No fears and no chains, those were the old days, yeah

Every tear, You hold every tear that's fallen  
I know You won't leave me when I'm hurtin'  
I'm not worried no more (Not worried) what tomorrow will bring  
(No, no, no, no)  
You are steady, my Lord, every single day, so I'm not afraid

I am free, I am free, I am free, yeah  
Nothing can hold me, nothing's gon' drag me down  
I am free, I am free, I am free, yeah  
No fears and no chains, those were the old days, yeah

I'm holdin' onto Your hands, holdin' onto You  
No one could ever, ever love me like Ya do  
Even in the darkness I can see the light  
Oh, oh, always by my side to hold me through the night  
I'm holdin' onto Your hand, holdin' onto You (Holdin' onto You)  
No one could ever, ever love me like Ya do (Love me like You)  
Even in the darkness I can see the light  
You are always by my side to hold me through the night, yeah, y  
eah, yeah

I am free, I am free, I am free, yeah  
Nothing can hold me, nothing's gon' drag me down  
I am free, I am free, I am free, yeah  
No fears and no chains, those were the old days  
I am free, I am free, I am free, yeah  
Nothing can hold me, nothing's gon' drag me down  
I am free, I am free, I am free, yeah  
No fears and no chains, those were the old days, yeah
