

In The Arms

Terrian

When the giants tower over my faith
And I'm frozen by the battles I face
There is just one place
I go to be safe

I run in the arms, in the arms
In the arms of Jesus
You will never fail, never fail
You are my strong tower
I run in the arms, in the arms
In the arms of Jesus
You will never fail, never fail
You are my strong tower

In the shelter of Your wings, You cover me
And it's here my rescued heart begins to sing
There is just one place
I go to be safe

Oh, I run
I run in the arms, in the arms
In the arms of Jesus (Jesus)
You will never fail, never fail
You are my strong tower
I run in the arms, in the arms
In the arms of Jesus (Jesus)
You will never fail, never fail
You are my strong tower

There is nowhere else I'd rather go
You're the only One that I call home
There is nowhere else I'd rather go
You're the only One that I call home, ohh
There is nowhere else I'd rather go
You're the only One that I call home

I run in the arms, in the arms
In the arms of Jesus (Jesus)
You will never fail, never fail
You are my strong tower
I run in the arms, in the arms
In the arms of Jesus (Jesus)
You will never fail, never fail
You are my strong tower, ohh
You are my, You are my strong tower, God, ohh (Strong tower)
