

## Stayed On Him (Isaiah 26:3)

Terrian

There's a world full of mercy and peace  
Mercy and peace, waiting for me  
There's a land for the lost and the least  
Where they dine with King, waiting for me  
Yeah, His holiness fills up the temple  
Still He took my sin and my shame  
I didn't deserve to be rescued  
But still He has called me by name

I'll stand firm with confidence  
Til He comes again, til He comes again  
I'll keep my mind stayed on Him  
Til the very end, til the very end

I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him

There's a savior with wounds you can see  
In His hands and His feet, waiting for me  
There's a place where His glory is seen  
It's beyond my wildest dreams, waiting for me

I'll stand firm with confidence  
Til He comes again, til He comes again  
I'll keep my mind stayed on Him  
Til the very end, til the very end

I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him

I know  
You're the God who reigns  
I know  
You're the God who saves  
I know  
That You walk on waves  
I know  
That You'll never change

I know  
You're the God who reigns  
I know  
You're the God who saves  
Yes, You walk on waves  
I know, I know...

I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him

I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him

I will keep my mind, stayed on Him  
I will keep my mind, stayed on Him
