Walk It Out Together

Terrian

Why, why pull away
When we all need the same things
Say, what you gotta say
I'm hear to listen
I won't go away

Nobody wants to walk this road alone
It's hard enough, I know you feel it
You don't have to do this on your own
I'll carry you we all need healing

Tell me your story
I'll tell you mine
Take me right back
To your starting line
Lay down your troubles
What's yours is mine
We're gonna walk it out together

(Never gonna)
Give up on you
(Never gonna)
We'll see this through
(Never gonna)
I'm with you
We'll walk it out together

(Never gonna)
Give up on you
(Never gonna)
We'll see this through
(Never gonna)
I'm with you
We'll walk it out together

Hey, I'm here to stay
Real love, it don't walk away
I, I won't leave you cold, I won't leave you cold
True love don't fade

Nobody wants to walk this road alone
It's hard enough, I know you feel it
You don't have to do this on your own
I'll carry you we all need healing

Tell me your story
I'll tell you mine
Take me right back
To your starting line
Lay down your troubles
What's yours is mine
We're gonna walk it out together

(Never gonna)
Give up on you
(Never gonna)
We'll see this through

(Never gonna)
I'm with you
We'll walk it out together

(Never gonna)
Give up on you
(Never gonna)
We'll see this through
(Never gonna)
I'm with you
We'll walk it out together

I caught a glimpse of the pain your eyes
I'm on the banks of the river you cried
I'll take your hand if you'll only take mine
I'm not leaving this time, I'm not leaving this time

Tell me your story
I'll tell you mine
Take me right back
To your starting line
Lay down your troubles
What's yours is mine
We're gonna walk it out together

Tell me your story
I'll tell you mine
Take me right back
To your starting line
Lay down your troubles
What's yours is mine
We're gonna walk it out together

(Never gonna)
Give up on you
(Never gonna)
We'll see this through
(Never gonna)
I'm with you
We'll walk it out together

(Never gonna)
Give up on you
(Never gonna)
We'll see this through
(Never gonna)
I'm with you
We'll walk it out together
