

Worry About Nothing

Terrian

I'm gonna worry bout nothing
But I'll pray about everything
I'm gonna give all my worries
All my fears to you
No matter how hard things may be
I know that you're always here for me
Gonna worry bout nothing
But I'll pray about everything

Though I walk through the valley of the shadow of death
I will not be afraid
Though my pockets are empty trying to make ends meet
I will not be dismayed
When I'm down feeling lost trying to find my way
I will keep my eyes on you
Cause I know that you're with me
And I know that you got me

I'm gonna worry bout nothing
But I'll pray about everything
I'm gonna give all my worries
All my fears to you
No matter how hard things may be
I know that you're always here for me
Gonna worry bout nothing
But I'll pray about everything

I'll take every bad day that come my way
Don't know the time rate, but I have faith
And I understand you have a plan
Know the whole world's under your command
And if praising makes a diamond
Then I'm putting the time in
I know that my better day's on its way
So why worry bout tomorrow?

I'm gonna worry bout nothing
But I'll pray about everything
I'm gonna give all my worries
All my fears to you
No matter how hard things may be
I know that you're always here for me
Gonna worry bout nothing
But I'll pray about everything

If the doctor tells me I have 3 months to live
I won't let myself give in
When I'm going through the most and life's getting real
I will keep on hoping
That tomorrow will be better than it is today
And the sun will shine again
Cause I know that you're with me
And I know that you got me

I'm gonna worry bout nothing
But I'll pray about everything
I'm gonna give all my worries

All my fears to you
No matter how hard things may be
I know that you're always here for me
Gonna worry bout nothing
But I'll pray about everything

Everything is gonna be alright, everything is gonna be alright
Everything is gonna be alright, everything is gonna be alright
Everything is gonna be alright, everything is gonna be alright
Everything is gonna be alright, everything is gonna be alright

I'm gonna worry bout nothing
But I'll pray about everything
I'm gonna give all my worries
All my fears to you
No matter how hard things may be
I know that you're always here for me
Gonna worry bout nothing
But I'll pray about everything
