

Go to work  
Treat my body like a 9 to 5  
If you need to pray, then go to church  
Altar's right between my skirt  
Go to work  
Treat my body like a 9 to 5  
If you need to pray, then go to church  
Altar's right between my skirt

I'm restless and get all my guest list's done  
Come in and dress this up  
Wanna come test this, baby?  
(You're) Breathless, I got your breakfast  
Look down my checklist and  
Over-respect this

Go to work  
Treat my body like a 9 to 5  
If you need to pray, then go to church  
Altar's right between my skirt  
Go to work  
Treat my body like a 9 to 5  
If you need to pray, then go to church  
Altar's right between my skirt  
Go to work

Treat my body like a 9 to 5 (Go to work)  
Treat my body, treat my body (Go to work)

I'm reckless and open for lessons  
I've lost my investments  
So come repossess this, baby  
I'm stressin', I've got transgressions  
But no more confessions  
Just honor your blessings

Go to work  
Treat my body like a 9 to 5  
If you need to pray, then go to church  
Altar's right between my skirt

Altar's right between my skirt
