

# Conspiracy

Terror Jr

Lost in the world  
Ain't got a clue  
Time to forget  
All the things that I knew

Fork in the road  
But I'll never choose  
I took both pills  
One red and one blue

You say you love me I don't believe you it's a conspiracy

If you want me now you've got to follow me like a conspiracy

You say you

You say you  
(Love me love me love me)

You say you love me  
Like a conspiracy

You say you love me  
Co-co-co-conspiracy

Lost in the world  
Ain't got a clue  
Time to forget  
All the things that I knew

Fork in the road  
But I'll never choose  
I took both pills  
One red and one blue

Show me the truth  
Show me the way  
I wanna trust that you  
Mean what you say

You say you love me I don't believe you it's a conspiracy

If you want me now you've got to follow me like a conspiracy

You say you  
(Love me love me love me)  
Like a conspiracy

You say you love me  
(Love me love me love me)  
Like a conspiracy

You say you  
(Love me love me love me)

You say you  
(Love me love me love me)
