

## Dinner Plate

Terror Jr

I heard you been fasting right  
Broke but you got an appetite  
If I let you stay the night  
Would you treat me right  
Would you treat me right

In the summer you ignored me twice  
Had me steaming like a side of rice  
You better finish what I serve tonight  
What I serve tonight  
What I serve tonight

Baby, get your spoon  
Dinner plate  
Yeah, I'm coming soon  
Dinner plate  
If you're sittin' at my table you gotta eat  
If you're sittin' at my table you gotta eat

Don't put this in the microwave  
If you want it tender you gotta marinade  
You gotta squeeze if you want the lemonade  
If you say pretty please, let you eat the cake

In the summer you ignored me twice (Two times)  
Had me steaming like a side of rice  
You better finish what I serve tonight  
What I serve tonight  
Serve tonight

Baby, get your spoon  
Dinner plate  
Yeah, I'm coming soon  
Dinner plate  
If you're sittin' at my table you gotta eat  
If you're sittin' at my table you gotta eat

Baby, get your spoon  
Dinner plate  
Yeah, I'm coming soon  
Dinner plate  
If you're sittin' at my table you gotta eat  
If you're sittin' at my table you gotta eat

I set the table for two so  
You know what you gotta do, oh  
Come make the sauce bubble over  
Don't stop 'til I pop like a toaster  
Don't don't stop  
Oh, don't stop  
No, don't stop  
Don't stop
