

Get It Get It

Terror Jr

Get it get it got it good
Follow me I think you should
Most days misunderstood
Thomas the tank I knew that I could

Choo choo I keep climbing up the hill
Don't know how I'm gonna make it but I will
I'm so rare baby take me off the grill
Fly commercial when I'm coming to Brazil

I don't act but I always make a scene
When I'm gone miss me like a fever dream
I don't worry bout nobody else but me
Keep on watering my grass until it's green

Get it get it got it good
Follow me I think you should (ok)
Most days misunderstood (ok)
Thomas the tank I knew that I could

Get it get it got it good
Follow me I think you should
Most days misunderstood
Thomas the tank I knew I could

Get it get it got it good
Doing what we want not what we should
Never be afraid to talk that shit
All you're doing is fertilizing that

Get it get it got it good (who is she?)
Follow me I think you should (ok)
Most days misunderstood (ok)
Thomas the tank I knew I could

Get it get it got it good
Follow me I think you should
Most days misunderstood
Thomas the tank I knew I could

Get it get it got it good
Follow me I think you should
Most days misunderstood
Thomas the tank I knew I could

Ooh, I knew I could, oh
Ooh, I knew I could, yeah
Ooh, I knew I could, oh
Ooh, I knew I could, yeah
