

Young bitch in the club with an attitude  
I don't want you feeling, so you got a tude  
You keep tellin' me that I'm not your problem  
But you wanna ride it like a helicopter  
Young bitch in the club with an attitude  
I'm fucking lost, I'm fucking confused  
Feel like I'm shiny, like I'm brand new  
I'd rather be abused and not really used

So many secrets, I'm kinda full  
So many secrets, I'm Tom Cruise  
You want Madonna, but I want you  
If she a sauna, I'm a steam room

I don't wanna talk, I just wanna  
We can do it all night (all night)  
We've been through a lot, but you're the one I want  
We can do it all night  
I don't wanna talk, I just wanna  
We can do it all night (all night)  
We've been through a lot, but you're the one I want  
We can do it all night

Young bitch in the club with a broken fist  
Took so many losses, I must like to lose  
Goin' both ways, I don't gotta choose  
Goin' both ways like, ooh, ooh

So many secrets, I'm kinda full  
So many secrets, I'm Tom Cruise  
You want Madonna, but I want you  
If she a sauna, I'm a steam room

I don't wanna talk, I just wanna  
We can do it all night (all night)  
We've been through a lot, but you're the one I want  
We can do it all night, ooh  
I don't wanna talk, I just wanna fuck  
We can do it all night (all night)  
We've been through a lot, but you're the one I want  
We can do it all night, ooh
