

Kinda Iconic

Terror Jr

Do you know what you like?
Or do you let him pick it for you?
He sucks big, but he smiles nice
Oh God, I guess he's talented

Ooh, what are we becoming?
Ooh, just go without me
Ooh, a shiny new object
They say you gotta try it

It's kinda iconic
It's kinda kinda iconic, yeah
It's kinda iconic
It's kinda kinda iconic, yeah

They say he's something else
Can't tell you what they like about him
No details, wouldn't help
He's able, that's what's nice about him

Ooh, what are we becoming?
Ooh, just go without me
Ooh, a shiny new object
They say you gotta try it

It's kinda iconic
It's kinda kinda iconic, yeah
It's kinda iconic
It's kinda kinda iconic, yeah

Can't sing, can't write
But he's hot
So it's time to sell your girls
Everything they want

She's not funny
But it doesn't matter
She got a body you could serve on a platter
(Yummy)

It's kinda iconic
It's kinda kinda iconic, yeah
(Kinda iconic)
It's kinda iconic
It's kinda kinda iconic, yeah
It's kinda iconic
It's kinda kinda iconic, yeah
(Kinda iconic)

It's kinda kinda iconic, yeah
It's kinda iconic
It's kinda kinda iconic, yeah
It's kinda iconic
It's kinda kinda iconic, yeah
